

Didactic and Intern Group Attendance and Etiquette Policy

Attendance at the weekly Didactic seminar and other scheduled group training activities is mandatory for all interns in the New Mexico Internship Consortium and is required for successful completion of the internship. Attendance at these scheduled activities **take priority over other site obligations each week**. Site supervisors are aware of these activities and their requirement for interns.

A schedule for the Didactic training seminars will be distributed at Orientation and may be updated throughout the year. An intern is permitted no more than **three** absences during the calendar year. After the second absence, interns will receive a reminder from the Program Director. After the third absence, the Program Director will initiate NM-PIC Due Process procedures.

Interns may use only three of their allotted vacation and/or professional development days on didactic training days. The Program Director must be notified in advance of planned absences. Interns who miss a meeting of the didactic seminar or other group because of a serious emergency or for a serious illness should alert their Site Director and the Program Director as soon as possible. **For all didactic absences, interns must review a research article related to the didactic topic and submit a 1-2 page review of the article, or if the intern misses didactic for another training, the intern can submit a 1-2 page review of the training that they attended. This review must be submitted to the Program Director and their site supervisor and is due one week from the absence.**

Interns are expected to join all Tuesday training activities on-site and may not be driving or in a public location during Tuesday training activities. Calling into a didactic presentation by phone is discouraged. Interns are allowed to call into a didactic presentation by phone a maximum of two times during the training year and he or she must let the speaker (or faculty member in charge if an outside speaker is scheduled), and the Program Director know at least one week in advance. If an intern calls into a didactic presentation by phone more than two times during the training year, the Program Director may initiate NM-PIC Due Process Procedures.

During didactics, or any internship videoconferencing function, professional and attentive etiquette is expected at all times. **Turn video on, sit in a well-lit area and give the screen your undivided attention.** Be aware of what you are doing while on video (i.e., drawing, looking at your phone, eating, etc.), if you would not do those things in front of a live presenter when in person then you should not be doing it while on video. Do not use the computer to go on the internet, email, or do other work. Be seated in appropriate setting.
